COMIC VALUES MONTHLY

This publication is designed to guide Comic collectors in the most current Comic values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are *'The Comic Book Price Guide'* by Robert Overstreet and *The Comic Buyer's Guide* By Krause Publications.

The Comic values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of the values for Major and Hot titles and 30% or less for minor comics. These guidelines will vary from dealer to dealer and to location.

GENERAL GUIDE AND ABBREVIATIONS

Condition of Comics

MINT-A perfect comic in every way.

NEAR MINT-A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE-Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD-A well read book. Minor markings, discoloration, Heavier stress lines around staples with minor tears or corner creases and spine rolling

GOOD-A very worn comic with creases, minor tears, cover flaking appearant. No tape.

FAIR-Slightly damaged cover, Badly rolled spine cover flaking and possibily corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

\+ Comic value has risen from the last issue of CVM
\- Comic value has decreased form the last issue of CVM
• Comic title added since last issue of CVM

COMICS VALUES MONTHLY

Attic Books, Ltd. P.O. Box 38 South Salem, New York 10590

Dear Comics Values Monthly Reader,

John Byrne's new Man of Steel is selling extremely well. Collectors are buying in quantities of five and more. The #1 direct sales issue, actually the first edition, is hot while #1 newsstand, actually the second edition, is not as hot, selling at maybe one half the rate of the first edition. #2 sales are reported as brisk. The media blitz has created great expectations of this mini series of six. Collectors' initial reports have been discouraging, some noting a low-action plot. But when looked on as a whole it must stand on its own. This mini-series is the foundation of the entire Superman entourage. This will steadily escalate and become a standard by order of its nature. Prices are now from cover to $1.00 for #1 first edition.

Now from the largest press run comic recently printed to the smallest. Has any one heard of the new black and white comic Rappin' Max Robot? The answer of course is no. When interviewing a leading dealer in the New York region he stated he had purchased a few copies of an inner city comic at a comic con. They sold out immediately at four times the cover price of $1.25. With some difficulty we contacted Eric Orr the creator, publisher, artist, writer, distributor and ad man all in one. Eric, from the Bronx, stated that Rappin' Max Robot was 100% financed by local ads and that 500 copies were printed in May and sold out quickly. Eric said he was"really heavily into rap and hiphop" and dedicated the first issue of 'Max to the "HipHop culture and the people who keep the culture alive!"

Rappin' Max, the "first rappin' comic" is written in lyric style, in the fashion of rap music, and the first story is anti-drug. This comic brought Eric Orr various types of work including doing story boards for a rap music anti-crack video. The second issue due out in July will have many guest artists including Joe Ski Love who recorded "Pee Wee Herman's Dance" and Seen, a famous Bronx graffiti artist whose special talent is trains and walls.

If distribution is improved this spontaneous "Boogie Down Bronx" comic could take off - dealers in next door Manhattan haven't even heard of Max. Will the world's first HipHop robot make it big? Boom! Boom! Bap!

Yours truly,

Alex G. Malloy

FUTURE PICKS

•Louis Williams, a new artist for Marvel, is touted by many as a new hot prospect. His work will be in Daredevil as previewed in Marvel Age.

•Early reports on first sales of New Universe indicate that Starbrand is selling well, along with Psi-Force. This whole New Universe is an iffy series at best, however.

•The hottest new publisher is Aircel with Elflord going full color in September and Samurai's selling at a great pace. Dragonring is sold out in many shops while Stark Future and Adventures look like winners. In the first half of 1986, Aircel has the winners. Who will be the hottest in the second half?

•Take one of the most creative artists in comics and add the hottest writer in comics them combine them with the most popular female character. What do you have? Elektra: Assassin-written by Frank Miller and drawn by Bill Sienkiewicz. A definite hit!

•Life Brigade has been in short supply since its recent appearance. Published by the New Blue Comet, it has potential. Some distributors were unaware of its existence. A good sign for price escalation.

•Black and white animals are hot!! Black and white samurai type comics are hot!! Black and white elves and trolls are hot!!

•All Batman comics are starting to awake from a long sleep. Reports from all across the country is that Batman and Detective Comics are selling well and demand is up-Thanks to Frank Miller.

COMIC AND FANTASY ART PORTFOLIOS

Comic and Fantasy Art Portfolios basically started in the period from the mid 60's to the early 70's with the early publishers: Middle Earth, Dark Eagle (producing works of Frank Frazetta), Blue Star Press(representing Jeff Jones), Black Lotus(publishing works by Barry Smith, Gould&Canty), Archival Press (featuring works of Jeff Jones, Thomas & Canty). The late 70's saw a plethora of issues by Schannes and Schannes, closely affiliated with Pacific Comics. Now Publishers are more selective with fewer portfolios produced as a result. These art portfolios are an extension of the fine art portfolios where suites are limited to a certain number and are signed and numbered by the artist. While long a profitable venture in fine arts for artists, dealers&investors, and collectors alike. The comic and fantasy art portfolios started slow and now are starting to achieve acceptance. Prices are presently starting to rise and dealers are finding high demand for a variety of portfolios. This listing is a beginning. It is based on the collections of Bruce Victor with various general additions. Expert advice was received from Norm Hood of Chimera Publishing.
